

To the Admissions Committee,

Makida Yitbarek here...

I am writing to express my strong interest in applying for the Digital Economics course at the University of Politecnico delle Marche. Pursuing this program aligns with my long-term career goals in economics and digital technologies, and I am confident that it will equip me with the knowledge, skills, and experience I need to succeed in this field.

My passion for the intersection of economics and technology started at a young age and has only grown stronger with time. I am excited to explore this subject further through the Digital Economics course at your university, particularly in the areas of digital marketing and e-commerce. I am also eager to participate in the program's practical experiences, internships, and projects as they will provide me with valuable hands-on experience.

The University of Politecnico delle Marche is known for its rigorous academic programs, renowned faculty, and cutting-edge research in digital technologies. I am impressed by the university's reputation for producing graduates who are well-prepared for the workforce. I believe that the Digital Economics course will provide me with the necessary knowledge and skills to excel in my future career.

Thank you for considering my application. I am excited to contribute my skills, energy, and enthusiasm to the program and look forward to the opportunity to study at your university.

Best regards
