VOLUNTEERING

10/02/2021 – 24/02/2021 Addis Ababa, Ethiopia

Educational Material Collection Programme To provide educational materials to students whose family incomes had been heavily affected by the Coronavirus pandemic, I took a leading role in collecting books and other items and organized their delivery to the district's Bureau of Education.

HOBBIES AND INTERESTS

Drawing and painting I have a great love for art and often spend my free time painting. I've spent years trying to perfect the traditional Ethiopian art style. In 2020, I took my art to another level by painting on vases and even made a business out of it.

COMMUNICATION AND INTERPERSONAL SKILLS

Public speaking I take great pleasure in challenging myself to express my ideas in front of a crowd. I've often taken part in various public speech and debate contests during my years in high school

MANAGEMENT AND LEADERSHIP SKILLS

Leadership skills Having often been the group leader in many academic and extracurricular activities I was involved in at school from an early age, I'm well experienced in leading a team.
