ABOUT ME

I am a highly motivated individual who is passionate about using my knowledge and expertise to continually improve and contribute to an engaged team dynamic. I am eager to find new challenges and opportunities that will let me grow both personally and professionally. My leadership skills are demonstrated through my involvement in student organizations and passionate level of commitment to all tasks at hand. My strong curiosity, listening abilities and overall enthusiasm will help me excel in any field. Furthermore, I am socially confident and enjoy working with people from different backgrounds.

WORK EXPERIENCE

Volunteering

Blue Health Ethiopia Medical consultancy [3 Dec 2022 – 24 Jan 2023]

City: Addis Ababa

Country: Ethiopia

I volunteered to work with Blue Health Ethiopia Medical Consultancy company as a BLS provider. I provided basic life support services, and assisted paramedics when needed. I was able to provide chest compressions and rescue breaths, as well as utilize an automated external defibrillator (AED) in order to revive patients in medical emergencies. Additionally, I was trained in CPR techniques, proper use of the AED, and how to recognize cardiac arrest symptoms and safely respond to them.

I volunteered to organize events with Blue Health Medical Consultancy in order to help promote its services, product offerings, and community health awareness fairs.

EXTRACURRICULAR ACTIVITIES

President of Charity department, Vision Academy

[20 Dec 2020 – 30 Jun 2021]

As President of Charity department at Vision Academy, I was responsible for overseeing all fundraising activities and managing donations. We raise funds to help local schools and charities, organized events collaborated with other individuals, clubs, organizations and programs in the community.

Member of STEM club, Vision Academy

[1 Oct 2020 – 30 Jun 2022]

I was a member of the STEM club at my school. We met on a consistent basis to discuss pertinent issues within the STEM field and focus on developing projects that provided knowledge to both our peers and our community. We brainstormed various ideas, created informational programs for our younger peers, conducted experiments related to current topics under discussion, and discussed potential career paths everyone could pursue in these fields. Overall, it was an incredible experience that further strengthened my interest in STEM topics.

President of Civics department, Vision Academy

[1 Nov 2019 – 30 Jun 2020]

Organized seminars for freshmen, and coordinated team preparation for various competitions, ran meetings, set trips and meeting to African Union.
