RECOMMENDATIONS

Misikir Wondmagegnehu Principal

It is with great pleasure that I am writing this letter of recommendation for Amir Meded. I have known Biruk for five years. He is one of the best performer students in our high school.

He is very mature for his age and he approaches his study with an astute sense of objectivity. Biruk Impressed his teachers with his ability in dealing with the usually difficult concepts and in articulate texts. from his academic performance and attitude, I can say that he is talented, intuitive dedicated, and focused in his pursuits.

According to his grades, attendance, and class activity, I would rate his academic performance as superior. I am confident that you will be impressed with him as I am. As an educator who is committed to helping deserving students succeed, I strongly encourage you to consider him for your scholarship opportunity.

please contact me with any questions and let me know if I can provide any additional information about him.
