**To Whom It May Concern:**

It is my great pleasure to recommend Dagmawi Ayele Kidane for the scholarship he apply. I am his Director at Yetwld Tesfa school and have had the pleasure of working with Dagmawi Ayele Kidane on several student committees and programs.

Dagmawi is highly intelligent and has good analytical skills. Jane has excellent communication skills. His written work is clear and concise, as well as interesting to read. He demonstrated his oral articulateness in discussion. Each discussion section focused on a particular ethical dilemma. Students were required analyze morally problematic situations, and to develop and argue for their own ethical views with regard to the issue in question. Dagmawi was highly proficient in applying the course material in analyzing the problem situations. He always explained his views very concisely and gave supporting arguments that were both clear and persuasive. Dagmawi also demonstrated good teamwork skills in group assignments.

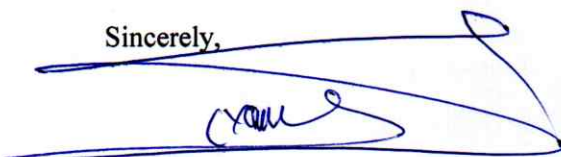

At a personal level, Dagmawi is a well disciplined, industrious student with a pleasant personality. Throughout the years, Dagmawi demonstrated great perseverance and initiative. Not only was he interested in and motivated to learn the material, but he also put great work into assimilating it to his own experience and developing his own ideas as a student.

Dagmawi is unquestionably an exceptional candidate for under graduate study. Dagmawi's commitment in his academic endeavor suggests that he would greatly benefit from the opportunities for intellectual development provided by a sustained period of under graduate study. He has proven himself to have the perseverance and initiative.

I see that the scholarship is intended to go to someone who demonstrates strong academic skills. Dagmawi fits these guidelines perfectly. He is also gifted in recognizing and drawing out the talents of others, and was able to put together and supervise a student committee to review the business plans created by the entrepreneurial students in the Charity program. It is rare to meet a high school student who is so mature, organized and results-oriented.

I can whole-heartedly support Dagmawi Ayele Kidane for this award. His demonstrated leadership and vision have made a positive impact on our school community and I have no doubt that this will continue at the university he will be attending. His combination of academic achievement, charisma, and thoughtfulness make him an ideal candidate.

Sincerely,
