

Dear, Admission Board

I'm writing to convey my intense interest in the Politecnico University of Marche's course on digital economics for the 2023–2024 academic year. I am extremely driven to complete this degree because I think it will provide me the abilities and information I need to significantly advance the subject of digital economics.

My interest in technology and innovation, together with my economics education, inspired me to pursue a career in the area of digital economics. I find it fascinating how technology is changing the way businesses operate and opening up new markets, and I think this program will give me the skills I need to study and comprehend these developments.

Due to its well-known reputation for academic brilliance and its emphasis on innovation and entrepreneurship, Politecnico University of Marche has particularly captured my attention. I am looking forward to working with like-minded people who share my enthusiasm for digital economics and learning from top authorities in the industry.

I have consistently shown a good work ethic, attention to detail, and a readiness to pick up new skills and adapt to new difficulties throughout my academic and professional careers. I am sure that I possess the abilities and characteristics necessary to succeed in this program and contribute significantly to the Politecnico University of Marche community.

I appreciate your taking a look at my application. I'm eager for the chance to go into further detail about my qualifications.

Sincerely,

YIHEYIS ALEMU
