### To whom it may concern

This is to inform you that **Yared Yimeny Bekele** studied in our school and had all his formal education in English which is the medium of instruction of the above mentioned school. **Yared** was of established and kind character. During his stay with us as a student we never heard badly about his character.

**Yared** worked very hard and it was reflected on his good test scores during the final exam he had taken while he was in grade 11. The school believes that **Yared** can pursue a course in his chosen field in English without difficulty.

Our school, Newway Challenge Academy is a fully recognized school that operates fully in accordance with the standards set in Ethiopia by the Ministry of Education and it also fulfills international standards. If you have any questions regarding **Yared**, You can contact the school administration.
