Dear student,

We are pleased to inform you that your application for pre-admission to the Bachelor Degree course in BIOSCIENCES AND BIOTECHNOLOGY has been positively evaluated.

To confirm your interest in enrolling at the University of Camerino for 2023/2024, you must apply for pre-enrolment through the portal UNIVERSITALY. Please carefully read the following information:

- The portal for the academic year 23/24 will be available **not before end of March 2023**. We inform you as soon as it is open.
- In the portal you must fill in the form and for a further check, please also upload the required documents:
 1. Original Diploma
 2. Statement of Comparability by CIMEA (<https://cimea.diplo-me.eu/camerino/#/auth/register>)
 3. Verification of Qualification by CIMEA (<https://cimea.diplo-me.eu/camerino/#/auth/register>)
 4. English certificate (not mandatory)
- **VERY IMPORTANT: it is possible to apply only for one university and once the application has been validated by the University it is not possible to cancel it.**
- After the validation, beyond the detailed information on how to proceed for the visa application sent by default by the portal, you will receive by email the non-binding letter of pre-admission.

Kind regards

Welcome Office
