Letter of recommendation

I am eager in regard to TIMOTIWOS NATNAEL MUE , who was our student that has attended his education in the field of natural science at debub Ethiopia academy secondary and preparatory school which is found in Ethiopia, Africa with English medium of instruction at the year 2012 E.C.

He has attended grade 12 in our school.

During his stay in our school student TIMOTIWOS was obedient, cooperative, well disciplined and achieved good results in his academic performance.

Wishing him all the best in the future endeavor, may I take this opportunity and recommend him for any future responsibility or any other concern.

Finally, the school is pleased to respond to any inquiry you may have, regarding TIMOTIWOS NATNAEL

With regards
