Dear Admissions Committee,

I am pleased to write this letter of recommendation on behalf of Nuhamin Yoseph , a most promising student and wonderful individual. I've had the pleasure of teaching English during her senior years here at Glory Secondary School. If it were appropriate for teachers to pick favorites, Nuhamin would definitely be one of my top choices. She has a winning attitude full of drive and perseverance that goes unparalleled. She is always attentive in class and has a knack for engaging the whole class in participation, but the attribute that admire the most about Nuhamin is her unwavering kindness.

Nuhamin has been at the top of her class in her final year of high school and was always amongst the top 20 in previous years. Her accomplishment was earned by giving her undivided attention in class and doing extra work outside of the classroom. She's always able to manage her time superbly and willing to lend a hand to other students struggling with their work. While some are destined to develop leadership skills, Nuhamin seems to possess the intrinsic qualities of a born leader and She's able to accomplish them without an air of arrogance or superiority towards her peers.

English Language is Nuhamins main academic focus, but She also thrives in in different co-curricular activities. She has had a magnificent role in Language Art and Charity clubs. Different plays, dramas, reviewing and presenting fictions she has read to the school community confirm my belief that teacher's learn just as much from their students as students do from teachers.

Any college would be thrilled to accept Nuhamin as she is an outstanding student with so much to offer. Our school was very lucky to have her as a student and I'm sure your faculty will feel the same should she be accepted. Nuhamin embraces constructive criticism and strives to improve in every aspect of her education and beyond. She deserves all the good things that will inevitably come her way in her post-secondary years. I would be glad to answer any further questions you have regarding or Glory Secondary School please don't hesitate to contact to me on zinabuyilmu@gmail.com

Best Regards,
