To whom it may concern

This is to inform you that student Yordanos Deribe Bekele have been our student from 2017/18 to 2019/20 G.C in our school Kegn Andargie Woldegiorgies Memorial School from grade 11 to grade 12.

As per his request I write this letter of recommendation that Yordanos was potentially capable of doing whatever he wants to do and academically always highly motivated to know new things in related to natural sciences, he is also a role model to other students. Discipline wise he is so decent and respects his teachers and colleagues very well.

And I am sure that if Yordanos have got a chance to join your institution, he will overcome any challenge that he may encounter and successfully accomplished the academic duties. Finally, I wish all the best in his future careers.

Sincerely,

The principal
