RECOMMENDATION LETTER FOR

YIHEYIS ALEMU ADIMAS

To whom It May Concern

I am writing this reference letter at the request of Yiheyis Alemu, a student at Dangila preparatory high school who is applying for international scholarships. To get straight to the point, Yiheyis is without doubt one of the strongest high school student I have had the pleasure of working at Dangila high school.

I highly recommend Yiheyis Alemu as a candidate for your international scholarship program. I have worked with him in my capacity as teacher of the department of Mathematics in natural science at Dangila preparatory high school.

While he was a student at high school, Yiheyis has high academic performance while taking a full load of classes. He is a consistent honor student, and while he was under me, he excelled as the top student. I have known Yiheyis for two years in my class. I taught him basic of **mathematics** and earned superior grades in my classes, based on his grades, attendance and class participation, I would rate Yiheyis's performance in my class as one of superior student. He does the tasks given to him with a positive attitude. He is able to establish camaraderie and wonderful rapport with people of all ages and has excellent written and verbal communication skills.

He would be a valuable asset to your program and I highly recommend him for your **international scholarship program** without hesitation. If you have further questions regarding his background or qualifications, please do not hesitate to contact me.

Sincerely,
