The undersigned declares to
be aware that:

- the data and documents contained in this "pre-registration application" correspond to the truth and to be aware of criminal responsibilities from having produced false, untruthful or data statements no longer corresponding to the truth, in addition to being aware that the data reported in this declaration are subject to veracity checks;
- the pre-registration procedure must be completed at the competent Diplomatic-consular representation and does not end with the sole sending of the this "application for prescription";
- enrolment in higher education institutions in Italy is governed by specific procedures issued by the Ministry

of University and Italian Research, published annually on the www.studiare-in-italia.it/studentistranieri website;

- to enrol in the courses of study it is necessary to follow the instructions provided by the institution of higher education responsible for the course chosen and complete the relevant procedures, which do not necessarily end with the completion of the pre-registration phase;
- the pre-registration procedure and this "pre-registration application" do not replace in no way the procedures for admission and enrolment to the chosen course, which will be perfected in the phase following the achievement of the student visa, after verification of the authenticity of the documentation produced, and does not involve any claim or automaticity for the purpose of issuing the relevant visa for study purposes;
- issuance of visas is the sole responsibility of the competent representations diplomatic-consular, after verification of possession of the requisites required by current legislation;
- in the "pre-registration application", the persons authorized to process data may correct any transcription/transliteration errors of personal data, verifying the latter with the data contained in the passport provided;

undertakes to:

- provide proof of the necessary economic coverage and the necessary coverage insurance for medical treatment and hospital admissions in accordance with the provisions of the Italian law or to undertake to enter into a contract for such insurance coverage upon his entry into Italy;
- forward to the competent Police Headquarters within 8 working days of entry into Italy the application for a residence permit for STUDENT, complete with the required documentation;
- re-enter the country of residence when the visa expires if not admitted or not enrolled in the chosen course.
