TO WHOMSOEVER IT MAY CONCERN

I am writing this letter to recommend Samrawit Debebe Assefa for admission to your school. I have known Samrawit for more than ten years as a teacher and a school counsellor.

As a student, Samrawit demonstrated a love of learning and the level of commitment necessary to succeed in school and beyond. As an educator, I am happy to be able to provide this recommendation for such a deserving student. I have great respect for her and truly believe that she is a worthy candidate that you will be proud to have representing your school.

Samrawit is an obedient and confident student. In addition to her great academic performance, she has outstanding leadership and communication skills and she is capable of executing assigned tasks with diligent performance. Samrawit participated in the Charity club and Art club. I can't think of anyone more deserving and I wholeheartedly support her application.

I feel certain that you will be just as impressed with Samrawit as I am. As an educator who is committed to helping deserving students succeeds, I strongly encourage you to consider her for your school. If there are any questions about Samrawit please don't hesitate to contact me. You may contact me at asteraraya24@gmail.com or +251911950013.
