

Dear Marche Polytechnic University Admissions Committee,

I am Heran Bogale here. I'm writing to you to tell how enthusiastic I am about the University of Polytechnic Marche's master's degree in Environmental Engineering. I'm eager to submit an application to this prestigious university since I'm a highly motivated student who is focused on academic success.

I have a great academic background in engineering and I graduated from university of woldia with honor. Since then, my interest in environmental engineering has only grown, and I now devote my leisure time to reading books and going to talks on the subject.

I am confident that mastering in environmental engineering at the University of Polytechnic Marche will provide me the opportunity to increase my understanding of the subject and equip me with the tools I need to have a significant impact on the world.

I'll sum up by saying that I'm excited to enroll in the University of Polytechnic Marche's and give back to the local academic and social communities. I appreciate you taking the time to review my application, and I hope to hear from you soon.

Heran Bogale
