To whom it may concern

It is my pleasure to write this letter of recommendation to student Bonsa Debele Degaga. I have been the president of the discipline committee and a counselor in Assai Primary and Secondary Public School.

Bonsa's behavior and decorum is amazing, never once had I found him in any disobedience. He is one of the finest students in our school

His total engagement with his teachers was so much excellent. I can certify about his behavior and recommend him for any educational institutes.

Best regards
